GUIDING PRINCIPLES

- ◆ The Region must operate in the spirit of cooperation with trust amongst all, with open communication and respect for differences of opinion.
- ◆ Each county's property tax dollars should be spent on services for their residents.
- ◆ One (1) county, one (1) vote.
- ◆ Each county needs to maintain a local presence (local access office) for their residents.

- ◆ Each county must provide uniform services while including utilization of an open provider panel.
- ◆ The region should not create another layer of government and should maintain current administrative costs, not increase them.
- ◆ Case management providers are chosen by the county, not by the region.
