This handbook is presented as a matter of information only; it is not to be construed to form a contract between Cedar County and the employee. Cedar County reserves the right to change or eliminate any or all of the policies, procedures or benefits described herein at any time, with or without prior notice.

Just as you retain the right to terminate your employment at any time for any reason, Cedar County retains a similar right. No policy or practice of Cedar County should be construed to change this relationship. Only the Board of Supervisors of Cedar County has the right to modify or change this practice, and such action must be in writing.

This handbook replaces all employee handbooks and amendments issued prior to the date of this handbook. Documents issued prior to this date should be discarded.

Welcome to Cedar County. It is our desire that you enjoy your work and perform it to the best of your abilities. We strive to provide a pleasant working relationship and service to the citizens of Cedar County.

This book brings together information about benefits, policies, rules and other conditions of employment that apply to you. If changes occur in these policies, you will be notified. Every effort has been made to convey accurate and clear information throughout this book, but no written summary can completely and without exception cover every situation that may develop. You are responsible for all information contained in this book. If you have any questions, please feel free to discuss them with your Department Head, or the Human Resources Director or designee.

All employees of Cedar County shall be covered by these policies except:

- Elected officials
- Members of the citizens' boards and commissions
- Any other person hired on a contracted basis
- Employees / Persons covered by a 28E Agreement unless otherwise specified in a 28E agreement

The personnel policies of Cedar County may vary somewhat between departments. This is necessary because of the various duties and hours required of some departments and the various state and federal regulations, which must be followed. Each Department Head may establish additional policies for the purpose of handling matters applicable to their specific department. These rules shall not conflict with the personnel rules established by the County and must be approved by the appropriate governing Board.

This booklet is not a contract but is intended solely to give eligible employees a short description of the benefits and working conditions in the County. Cedar County is an employment at will employer. If at any time there should be conflict between a description in this booklet and a labor contract, or an applicable state or federal statute, or both, the terms of the actual contract or statute will govern in all cases.

RECRUITMENT AND SELECTION

It is the policy of Cedar County to recruit and to select the best qualified persons for employment. Recruitment and selection will be conducted in an affirmative manner, ensuring open competition, providing equal employment opportunity, and prohibiting discrimination because of race, creed, color, religion, sex, national origin, disability, age, political affiliation, citizenship, sexual orientation, or other factors protected by law.

The County shall use the same format for the posting of vacant positions. The template for posting positions will be available in the Auditor's Office.

JOB POSTINGS

All current County job openings will be posted on the Human Resources board located on the main floor of Courthouse and on the County website. In the selection of an applicant to fill the vacancy, Cedar County will consider the following:

- Qualifications
- Attitude, skill, ability, and past performance
- Efficiency
- Disciplinary record
- Length of service

DEFINITIONS OF STATUS

Regular Full-Time Employee:

A regular full-time employee is one who has completed his/her orientation period and is normally scheduled to work the minimum hours per week as listed in the Hours of Work section for the various departments.

Those who work 30-40 hours per week or 60-80 hours per pay period will be at the 100% level for benefits.

Regular Part-Time Employee:

A regular part-time employee is one who has successfully completed a probationary orientation period and is regularly scheduled to work less than thirty hours per week. Regular part-time employees shall receive vacation, sick leave, and health insurance benefits (if desired) on a pro rata basis as follows:

- 25-29 hours per week or 50-58 59 hours per pay period, 75% level of benefits
- One-half the department's normal hours to twenty-four hours per week or forty-nine eight hours per pay period, 50% level of benefits

For the purpose of determining the level of benefits percentage, hours for a regular part-time employee working in more than one department may be combined.

Employees working less than one-half of their department's normal hours per week are eligible for sick leave benefits only. These employees will be offered 5% of the hours worked per pay period in sick leave accumulation.

Seasonal or Temporary Employee:

A seasonal or temporary employee is one who is hired to work for a period of six months or less. Seasonal or temporary employees are not entitled to any of the fringe benefits described in this handbook but are subject to the same work rules governing full-time employees.

Exempt Position:

An exempt position is a salaried position in which the employee is not covered by the overtime provisions of the Fair Labor Standards Act and is not eligible to receive overtime compensation in the form of time off (compensatory time) or cash.

Non-exempt Employee:

A non-exempt position is one in which the employee is covered by the overtime provisions of the Fair Labor Standards Act and is eligible to receive overtime compensation.

Employment at-Will:

Employment with Cedar County is on an at-will basis, except for persons entitled to rights under Veteran's Preference as outlined in the Iowa Code. As such, either the County or the employee may terminate the employment relationship at any time for any reason or for no reason. The only exception to this provision is in the event of a written contract with an employee to the contrary. Nothing in these Personnel Policies or in other rules or policies adopted by the Board of Supervisors shall in any way be construed to create an employment contract, either express or implied.

PRE-EMPLOYMENT PHYSICAL

After a formal job offer has been made, each prospective regular full-time and regular part-time employee is required to submit to a post offer pre-employment examination before the applicant can be employed, the medical professional must state that the applicant can perform the essential functions of the job. This examination should be completed, and the results submitted to the employer prior to the employee's first day of work. The cost of this examination will be paid by the employer. Part-time summer and temporary employees may be required to have physicals if determined by the Department Head. Law enforcement personnel and other positions required by law, must submit to a drug test prior to employment.

NEW HIRE ORIENTATION PROGRAM

All new employees will be required to participate in the county sponsored orientation program. The orientation program shall be conducted on the employee's first day of employment of the county.

REQUIRED PHYSICALS

Where any supervisory personnel of the County are concerned about an employee's general health, as it relates to their apparent ability to perform their usual job functions, the supervisory personnel may request a complete medical assessment by a medical doctor selected by the County. Cedar County will pay the remaining cost of the examination not covered by medical insurance. The results shall be available to the appropriate Department Head and may be provided to the appropriate governing board when necessary and become part of the employees confidential medical file.

All Cedar County Public Health and Law Enforcement employees are required to receive two-step baseline TB (*Mycobacterium Tuberculosis*) screening upon hire. Each employee's manager will be responsible for ensuring that TB screening is initiated within 30 days of hire. The employee will sign a consent for Cedar County Public Health nursing staff to administer the test and to share results with the employer. Results of tuberculin skin testing will be provided to the employee's manager.

The Cedar County Public Health Department will determine the county's risk classification annually using the Facility Tuberculosis (TB) Risk Assessment Tool for Health Care Settings. If the risk category changes based on the results of the risk assessment, Cedar County Public Health Department will notify the Law Enforcement Department and the TB testing schedule will be adjusted according to current CDC recommendations.

After baseline testing of an employee in a facility classified as low risk, additional TB screening is not necessary unless an exposure to *M. tuberculosis* occurs. If exposure occurs, Cedar County Public Health will be notified, and further course of action will be determined based upon current Iowa Department of Public Health and Centers for Disease Control and Prevention recommendations.

If an employee is medically determined to be unable to continue in their present employment capacity, and appropriate reasonable accommodation cannot be found, the employee may be subject to termination of employment.

TESTING

The costs associated with the administration of any psychological or related mandated testing or screening required as a condition of employment either by federal/state statute or departmental policy shall be paid by the employing department.

ORIENTATION PERIOD

A new employee shall normally serve an orientation period of six months. (Deputy Sheriffs will serve an orientation period of up to one year or six months following graduation from the Iowa Law Enforcement Academy at the discretion of the Sheriff.) Said orientation period may be extended at the department head's discretion. New employees are not eligible for any fringe benefits except health insurance. A new employee will accrue sick leave during his/her probationary period, but he/she is not eligible to use sick leave during his/her orientation period, nor are they eligible for vacation, or personal days. At six months, the new employee will be evaluated to determine if:

- The employee should be considered a regular full-time or part-time employee eligible for continued employment and possible promotions and/or increased compensation.
- The employee should be terminated.
- In justifiable cases, an employee's orientation period may be extended in lieu of #2 above.

During the orientation period, the Employee may be terminated from employment at any time and for any reason and shall not be entitled to the availability of the Complaint Procedure/Resolving Disagreements Provisions of this Employee Handbook. However, if a terminated Employee alleges that the termination of their employment is in violation of public policy and requests a hearing, they may be afforded a termination hearing before the Board of Supervisors or appropriate governing board as provided in Step Four of the Complaint Procedure/Resolving Disagreements portion of this Employee Handbook. Any such request for a termination hearing shall be made in writing by the Employee and presented to the Board of Supervisors or appropriate governing board within five working days of the date of termination and shall set forth in detail the reasons the Employee believes the termination to be in violation of public policy. Upon receipt of such request for hearing, within five working days, the Board of Supervisors or appropriate governing board shall assess such request and may schedule a termination hearing if they find that the written request may set forth a credible issue of whether or not the termination may have been in violation of public policy.

Such termination hearing, if any, shall be scheduled within ten working days of the Supervisors' decision to grant a hearing and Employee will be notified of such hearing.

PERFORMANCE APPRAISAL

During the employee's orientation period, he/she shall be evaluated at the end of the 6-month orientation period. After completion of his/her orientation period, each employee shall be evaluated once a year or more frequently as deemed necessary by his or her Department Head. The employee will be counseled about his/her strong points and any areas in which improvements or corrections may be needed. A copy will become a part of the employee's "official" personnel record kept in the Auditor's office. The purpose of the evaluation is to provide an opportunity for either the Department Head or supervisor and the employee to discuss his/her performance and progress, to set goals for development, and to discuss any problem areas or concerns related to employment.

WAGE MATRIX

The Board of Supervisors has went through an exhaustive process to create a Wage Matrix for all classifications within the County. The Board of Supervisors, in consultation with their Human Resources Attorney, will only review concerns regarding the placement of specific classifications on the Pay Matrix if the Department Director or Elected Official submits in writing the following information:

- 1) An analysis that the market conditions for the classification have changed resulting in recruitment and/or retention issues.
- 2) Comparability data suggests the classification is paid below market. This would include information that identifies the compensation level of the classification in the five (5) larger and smaller counties and the surrounding counties.

If the Board of Supervisors determines that there is sufficient information/data for the classification to be reviewed, the Board we refer it to their Human Resources Attorney. A review will be performed and a recommendation made to the Board regarding the appropriate compensation for the position.

A full year of service consists of at least 1820 hours (35-hour workweek); 1950 hours (37.5-hour workweek); and 2080 hours (40-hour workweek). Vacations must be taken during the anniversary year; however, with the Department Head's approval, one (1) year's vacation accrual may be accumulated and carried over to the next year. Anniversary year is the year following the earning of said vacation time.

Upon resignation, retirement, death, or termination from County service, an employee shall be paid on a for all unused vacation leave [with two years maximum allowed] at the time of termination, provided the Department Head was properly and timely notified as required in under the policies governing resignation and termination of employment. Or upon resignation or retirement, an employee may choose to remain on the county payroll by "using out" unused vacation leave for up to 30 calendar days; however, earning rates will cease after final working day.

During the first six months of employment, an employee is not eligible to use pro rata vacation time and pay. Upon completion of six months of continuous service, a six-month vacation balance will be posted on the employee's payroll warrant.

Vacation Pay:

The rate of vacation pay shall be the employee's regular straight time rate of pay for the day or week for which he/she would have been regularly scheduled to work. Accrued vacation leave cannot be used to extend a workday beyond regularly scheduled work hours.

The Department Head must approve all vacation requests.

SICK LEAVE

Regular work attendance is one measure of an employee's reliability and dependability. Although an absence may be necessary on occasion, such absences cause work interruption, place greater demands on other employees and increase County expense. This policy is established to specify County attendance standards and expectations.

Sick leave accruals may be used for the following reasons:

- Personal illness or injury which renders the employee unable to perform the duties of his/her position.
- **Serious illness of a member of the employee's immediate family, necessitating the employee to be in attendance (Immediate family shall be defined as including spouse, dependent child, or legal ward).**
- Medical, dental or optical appointments which cannot be scheduled during non-working hours.

Sick leave will not be granted in the event of absence resulting from illness or injury brought about by the performance of duties on behalf of an employer other than Cedar County.

Regular and prompt attendance is a condition of employment. Failure to maintain good attendance will result in disciplinary action. If an absence is necessary for any reason, it should be authorized in advance or, if advance authorization is not possible, notice should be given to the immediate supervisor as early as possible, prior to the start of the work shift.

An absence is any time missed from a scheduled workday except for approved leaves of vacation, funerals, jury duty, work related injury, lack of work, sick leave that has been scheduled at least 24 hours in advance and approved, Family Medical Leave, military training or other leave provided by law.

Unpaid personal leave is counted as an absence from work since it is beyond allocated leave time, even if scheduled in advance.

Employee attendance is reviewed periodically, and excessive absence will be cause for disciplinary action.

Consecutive absences for medical or personal leave will be rated by the number of occurrences rather than the number of days absent so that an extended illness would count as one absence. Absences for partial days will be cumulative with one absence counted for each one-shift equivalent.

Although there may be legitimate reasons for repeated absence from work, regular work attendance is a factor of performance and is required for continued employment. Employees with excessive absences will be provided guidance and opportunities for correction in accordance with the following schedule, however, failure to meet attendance standards could result in termination of employment.

Verbal Warning: Employees with more than 6 absences, in a 12-month period, will first be given a verbal warning that their attendance must meet County standards or be subject to disciplinary action.

Written Warning: Employees with more than 2 absences, in the 6-month period following a verbal warning will be given a written warning and a six-month probationary period.

Suspension: Employees with more than 2 absences, during the 6-month period following a written warning will be given a 5-day suspension and final warning.

Termination: Employees with any absence during the 6 months following a suspension and final warning will be subject to termination from employment.

Employees are encouraged to use accrued vacation leave to cover unpaid sick leave, family emergencies, and other absences when possible. This practice helps to reduce future work absence and provides an opportunity for continuation of pay.

Paid vacation time is earned as part of work compensation and is accrued. Unless otherwise approved by the employee's supervisor, vacation leave should be scheduled at least 24 hours in advance and is subject to workload and availability of replacement workers. Unless otherwise approved by the employee's supervisor, vacation not scheduled in advance will be counted in accordance with this policy.

An employee who misses three consecutive days of work due to an illness or injury, may be required to provide medical documentation substantiating the absence.

An employee who continually refuses to perform according to County policy will be considered to have forfeited the opportunity for guidance and correction.

Any employee who fails to report for two consecutive days of unexcused absence will be considered to have abandoned the position. Employment will be terminated as of the last day worked.

Sick leave with pay shall accumulate at the rate of three-fourth (3/4) day per pay period (pro-rated for part-time employees) and can accumulate up to a maximum of one hundred twenty (120) days, or percentage thereof for part-time employees.

Pay Period Earning Rates:

- 35 hr. workweek = 5.25 hrs.
- 37.5 hr. workweek = 5.63 hrs.
- 40 hr. workweek = 6.00 hrs.

All employees who have accumulated the maximum sick days will be awarded each fiscal year, a 10% conversion of all sick days over the maximum to vacation time.

Unused sick leave will be payable upon death or retirement at \$7.25 per hour. The word "retirement" for this section shall mean the voluntary resignation of employment after the minimum time and age requirements fixed for receiving retirement benefits by the employee under the IPERS retirement program. This definition of "retirement" shall apply to all employees from the date of this resolution until such time, if ever, as said word is redefined by amendment of the Personnel Policies.

PERSONAL DAYS

Each regular full-time employee, upon completion of designated period, will be allowed three personal days per year:

- 35 hr. workweek = 21.00 hrs.
- 37.5 hr. workweek = 22.50 hrs.

- 40 hr. workweek = 24.00 hrs.

Accrued personal days cannot be used to extend a workday beyond regularly scheduled work hours, or for, their average workday. Direct Care Workers shall receive personal days according to regular full-time employees based on their average day. An average day is determined by the quarterly average of payroll hours. Employees working less than one-half their department's normal hours per week will not be eligible for personal days. A personal day for Secondary Road employees shall be considered eight hours. Every July 1st, unused personal days are forfeited. Personal leave may be used for vacation, sick leave, family illness or funeral leave.

HOLIDAYS

Regular full-time employees are eligible for the following paid holidays as set forth by the Board of Supervisors prior to each calendar year. Regular part-time employees will be eligible for a pro-rated benefit. Employees working less than one-half their department's normal hours per week will not be eligible for holiday pay.

- New Year's Day
- President's Day
- Memorial Day
- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving Day
- Day after Thanksgiving Day
- Christmas Eve
- Christmas Day

Except for designated employees (24-hour facility) working the actual day of the holiday, paid holidays falling on Sunday will be observed on Monday, and paid holidays falling on Saturday will be observed on Friday. Employees will be compensated at 1 ½ times their normal hourly rate for all hours worked on a holiday.

All regular full-time and part-time employees shall be paid for each of the holidays set forth in this Article occurring during the period in which they are actively at work. A non-exempt employee required to work on any recognized paid holiday shall be paid in the form of compensatory time or payment at the rate of time and one-half for all hours worked, plus the paid holiday at said straight time rate. The choice between compensatory time and cash will be at the discretion of the Department Head. Holiday pay will be at the normal pay for the day or week for which he/she would have been scheduled to work.

When you return from FMLA leave you will be reinstated to the same or equivalent job with the same pay, benefits, and terms and conditions of employment. If you do not return to work following FMLA leave you will be required to reimburse the company for your share of health insurance premiums paid on your behalf.

USE OF ASSIGNED COUNTY VEHICLES

According to IRS rules, use of county vehicles by some county employees who take the vehicles home, for non-compensatory business reasons, such as being assigned to be “on call”, is considered a taxable benefit. This vehicle use is classified as a non-cash fringe benefit and is subject to income tax and FICA withholding. IRS rules exempt law enforcement officers (including conservation commission employees who have law enforcement responsibilities and patrol parks), and employees who drive specially modified vehicles which are considered qualified non-personal use vehicles under IRS rules.

Use of county vehicles not exempt under IRS rules will be treated as a non-cash fringe benefit and will be taxed by the Commuting Valuation Rule, which states that the employer provided vehicle is provided at a rate to the employee of \$1.50 per one way trip (that is from home to work or work to home.) Employees assigned to drive county vehicles, which are not exempt due to being law enforcement personnel or operating specially modified vehicles, will turn in a statement at the end of each quarter summarizing the number of trips that they make between work at home for that period. The total number of trips for the quarter will be multiplied by \$1.50 to determine the value of the vehicle use for tax purposes.

EDUCATION

It is the employee's responsibility to keep their licenses and/or certifications current. All licenses, such as nursing license and certificates shall be brought to the Department Head to be copied and given to the Auditor's Office for their personnel file. Failure to keep licenses and certificates current may result in the employee being terminated.

NEPOTISM

Members of an employee's immediate family will be considered for employment on the basis of their qualifications. Immediate family may not be hired, however, if employment would:

- Create a supervisor/subordinate relationship with a family member.
- Have the potential for creating an adverse impact on work performance; or
- Create either an actual conflict of interest or the appearance of a conflict of interest.

This policy must also be considered when assign, transferring, or promoting an employee. For the purpose of this policy, immediate family includes spouse, parent, child, sibling, in-law, aunt, uncle, niece, grandparent, grandchild, members of household. This policy also applies to romantic relationships.

Employees who become immediate family members or establish a romantic relationship may continue employment as long as it does not involve any of the above. If one of the conditions outlined should occur, attempts will be made to find a suitable position within Cedar County to which one of the employees will transfer. If employees become immediate family members or establish a romantic relationship, the County will make reasonable efforts to assign job duties so as to minimize problems of supervision, safety, security or morale. If accommodations of this nature are not feasible, the employees will be permitted to determine which of them will resign. If the employees cannot make a decision, the County will decide in its sole discretion who will remain employed.

GIFTS AND GRATUITIES

No employee shall accept loans, gifts, services, or other preferred arrangements for personal benefit under any circumstances, directly or indirectly involving influence upon the manner, in which he/she performs his/her work, makes his/her decisions, or otherwise discharges his/her duties as a county employee. This policy applies to all employees of the County. See Iowa Code.

EQUAL OPPORTUNITY POLICY STATEMENT

It is the policy of Cedar County to ensure that all job applicants and employees are given equal consideration for hire, promotion, transfer and other employment opportunities without regard to that individual's race, gender, color, religion, marital status, national origin, sexual orientation, handicap status, status as a disabled veteran, or status as a Vietnam Era Veteran or other non-merit factors protected by law.

The right of appeal and recourse is guaranteed by Cedar County. Any person who feels that he or she has been denied employment, participation, representation, or services in any program administered by Cedar County because of race, creed, color, religion, sex, national origin, age, disability, political affiliation, or citizenship has the right to file an equal opportunity complaint. Information and assistance relative to equal opportunity complaints shall be provided by the Cedar County Board of Supervisor Chairperson, who can be contacted at the Cedar County Courthouse, 400 Cedar St. Tipton, IA 52772; 563-886-3168.

This Equal Opportunity Policy of Cedar County shall be posted in conspicuous places within the facility, distributed to all employees, contractors, and to the chairperson of all advisory and policy-making groups.

This policy is established by the Cedar County Board of Supervisors in their role as policy makers and custodians of county property.
