The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.wellmark.com</u> or call 1-800-524-9242. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary</u> or call 1-800-524-9242 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	In-Network (IN) Provider: \$500 person/\$1,000 family per calendar year. Out-of-Network (OON) Provider: \$2,500 person/\$5,000 family per calendar year.	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Well-child care, preventive care from in-network providers, in-network physician maternity care, in-network prosthetic limbs, in-network outpatient services for mental health/substance abuse and services subject to copayments are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	Yes. \$100 person/\$200 family per calendar year for drug card, which does not apply to Tier 1 Rx. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	In-Network (IN) Provider: \$2,000 person/\$4,000 family per calendar year. Out-of-Network (OON) Provider: \$9,000 person/\$18,000 family per calendar year. Drug Card: \$2,000 person/\$4,000 family per calendar year. The In-Network health and drug card out-of-pocket maximum amounts accumulate together.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, <u>balance-billed charges</u> , and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why this Matters:
Will you pay less if you use a network provider?	Yes. See <u>www.wellmark.com</u> or call 1-800-524-9242 for a list of <u>network</u> <u>providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan</u> 's <u>network</u> . You will pay the most if you use an out-of- <u>network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and wha your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an out-of- <u>network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

<u>Claim</u> examples calculate benefits as if services are provided by your designated personal doctor.

The amounts shown in the maternity <u>claim</u> example above are based on amounts using a single per person <u>deductible</u>. Some <u>plans</u> may actually apply a two-person or family <u>deductible</u> to maternity services for the mother and newborn baby.

The plan would be responsible for the other costs of these EXAMPLE covered services.
