## **Engineering Technician 1 Opening**

Cedar County is a bustling rural county located between Iowa City, Cedar Rapids and Davenport. The county is responsible for the maintenance of nearly 260 bridges and 950 miles of paved, gravel and earth roads. Cedar County utilizes the latest ACAD software along with Civil3D for design work. The county averages five construction projects a year which typically involve highway paving, box culverts and bridge projects, most of which are designed and inspected with in-house staff.

The Cedar County Secondary Road Department is currently seeking an Engineering Technician to assist with the operations of the County Engineer's office. Associate degree in Civil Engineering Technology or equivalent experience is required. Applicant must be proficient in AutoCAD. Construction inspection, survey experience, IDOT PCC plant, HMA plant, and aggregate inspection certifications preferred. Starting wage is \$27.13 per hour plus overtime and a competitive benefits package.

Note that all applications received may be subject to public disclosure. Applicants will be subject to pre-employment drug screening. Class C driver license required and applicant must be insurable.

Applications are due by 4:00 P.M. July 1, 2022. Applications and job description can be obtained from the Cedar County Engineer's Office, 400 Cedar St., Tipton, Iowa 52772, telephone 563-886-6102, or [www.cedarcounty.iowa.gov](http://www.cedarcounty.iowa.gov) under Employment, and submitted to the Engineer's Office.

Cedar County is an equal opportunity employer.
