Chairman O'Mara called the meeting to order. Minutes of the previous meeting were read and approved.

Mrs. Mary Lou Brendel, Downey, expressed her desire to move her mobile home onto the adjoining lot of her father's house in Downey. Questions were asked by Mrs. Berkenpas and Mr. Shaffer concerning property values, roads and whether installation of mobile homes in Downey will continue. Discussion followed. Mr. Shaffer then objected to the installation of mobile homes, in general, in Downey. After considerable discussion, Chambliss moved and Sauer seconded the motion that this petition be postponed until May 4, 1978, at 8:00 p.m. in the meeting room of the courthouse. The Board of Adjustment members are to go on their own to Downey before the May 4th meeting.

The next petitioner was Edward and Beulah Haury, West Branch. They requested a variance to put a mobile home on their back lot in Downey. They have $3\frac{1}{2}$ lots and would like the mobile home installed for their son. Mr. Haury is in poor health and Mrs. Haury works nights, so they would like to have their son close by to help. After discussion, Sauer moved that the Board of Adjustment members go to Downey to review this case also. Chambliss seconded. Motion carried. This petition will also be discussed at the meeting on May 4, 1978.
